BUILD BETTER

Find a local Master Builder
at www.fmb.org.uk/fab

fmb.org.uk

“Finding the right builder was our top priority. When you and your family are living with the project on a daily basis, it is essential you have the confidence of someone you can trust. From our first meeting we had the confidence we needed. The builders’ experience and professionalism were obvious from the start.”

John and Janice Walker,
Cheshire

You want to build the best you can. So do we.

The Master Builder logo represents trust, quality, protection and experience. As a home owner you are assured of a better result, knowing you are working with the best builders.

Discover the Master Builder difference

Our members are:

- ◆ Professional builders
- ◆ Independently inspected and vetted on joining to ensure they meet our high quality standards
- ◆ Able to offer a warranty and contract for every project to provide greater protection
- ◆ Committed to abide by our Code of Practice
- ◆ Builders that home owners can trust

Visit the FMB website to:

- ◆ Find a local Master Builder
- ◆ Check if your builder is an FMB member
- ◆ Find helpful advice on choosing the right builder and planning your building project
